Your program of study is under the direction and approval of the ITLS program advisor.

An advisor is assigned upon matriculation to the program to guide through the coursework. The culminating experience will be under the supervision of an ITLS faculty member. This is determined each semester on a rotating basis. If there is a specific faculty member you would like to work with for the culminating experience, consult with the ITLS program advisor to make those arrangements.

The following tables show the recommended order of study for students to complete within 2 years:
