

Research Doctor of Philosophy (PhD) Program Planning Sheet

Department of Instructional Technology & Learning Sciences Utah State University

Program Requirements: 43 credits minimum are required for the PhD with a master's degree in this field. Students with a master's degree in a field other than Instructional Technology will be required to complete the master's core (an additional 9 credits), for a minimum of 52 credits. Students who do not have a master's degree will be required to complete a 70 credit PhD including the master's core classes. Check the current master's planning sheets for the required courses. Admittance to the Instructional Technology & Learning Sciences PhD program is prerequisite to enrolling in any ITLS PhD required core courses.

Required Core Courses (7 credits)			Credits	Fall	Spring	Summer	Prerequisites
