** Check the current and upcoming class schedules on the ITLS website or with your advisor or chair for availability and course options.

Your program of study is under the direction and approval of your graduate chairperson.

A temporary advisor is assigned upon matriculation to the program to guide through the first semester. A committee chairperson should be chosen by the end of the second semester to direct and approve the final program of study and thesis work. Additionally, you will work with your committee chair to form the rest of the 3-member graduate committee.
